once she is captivated and plunged into a world she never knew existed but the deeper her obsession with Draven becomes, the harder it is to decide should she stay and continue to work within the shadows of the supernatural or should she run from a madness she thinks may consume her? Warning: This book not only has sexual content but is amazingly addictive, with its dark mystery, haunting horror, seductive twists and one sexy dark lord that has the reader drooling every time the name Draven appears on the page! Thanks for reading Biographie de l'auteur Stephanie Hudson has dreamed of being a writer ever since her obsession with reading books at an early age. What first became a quest to overcome the boundaries set against her in the form of dyslexia has turned into a life's dream. She first started writing in the form of poetry and soon found a taste for horror and romance. Afterlife is her first book in the series of seven, with the story of Keira and Draven becoming ever more complicated in a world that sets them miles apart. When not writing, Stephanie enjoys spending time with her loving family and friends, chatting for hours with her biggest fan, her sister Cathy who is utterly obsessed with one gorgeous Dominic Draven. And of course spending as much time with her supportive partner and personal muse Blake who is there for me no matter what. My Love and devotion is to all of my wonderful fans that keep me going into the wee hours of the night but foremost to my wonderful daughter Ava...who yes, is named after a Demonic bird. Afterlife Saga is going to be 9 books in total and at the moment is working on book 6, The Cult of Hexad, which is out Dec 2015.
