Description :

Prsentation de l'diteurSet amidst the political turbulence and social unrest of contemporary Mexico City, An Easy Thing introduces English-speaking readers to Taibos human and world-weary protagonist, independent detective Hctor Belascoarn Shayne. In this debut outing, our hero, who, incidentally, possesses an insatiable appetite for Coca Cola and cigarettes, tackles three cases simultaneously: a killing in a corrupt factory; the

deadly threats against a former porn starlets teenage daughter; and, strangely, the search for Emiliano Zapata, folk hero and leader of the Mexican Revolution, rumored to be alive and hiding out in a cave outside Mexico City. Combining black comedy, social history and a touch of surrealism, Paco Taibos wonderfully idiosyncratic detective novels are admired the world over and are particularly popular in Europe and in the Spanish-speaking world.
