You hold in your grubby mitts the second collection from the hit online comic that was created by a quartet of depraved, inappropriate twentysomethings from all four corners of the world, and which has been compared to Family Circus by both the seeing and mentally impaired communities.Bigger, bolder, and badder than ever before, this book includes 120 hilarious, silly, and vile classics, as well as 30 brand-new strips that are guaranteed to have you in stitches. Though hopefully not literally. And for your inner child,

we've included some Interactivities to keep you entertained until the day you die, or for thirty minutes, whichever comes first. Complete with a foreword from Randall Munroe (author of XKCD), Ice Cream Sadness is the book that will resolve, once and for all, the answer to the eternal question: What do I get Grandma for Christmas?
