Description :

Prsentation de l'diteurIn an abandoned part of the Falkennest's clinic, Dr Tenace passionately conducts semi-legal experiments to bring his patients back from coma.Not only does he struggle with science and medicine to discover the secret of consciousness and the essence of the soul but he also struggles with a much bigger enemy: his own taboos! As he cracks the mystery of consciousness and soul, not only does he bring his patients back to consciousness but he opens the door to mind time travel to unveil past psychological traumas and heal them. But why does he wake up in his ex-wife's body after crashing into her car?A humorous and thrilling novel about the fear of ones own ambition and possible success on a spooky medic-

sci-fi background. Presentation de l'auteur In an abandoned part of the Falkennest's clinic, Dr Tenace passionately conducts semi-legal experiments to bring his patients back from coma. Not only does he struggle with science and medicine to discover the secret of consciousness and the essence of the soul but he also struggles with a much bigger enemy: his own taboos! As he cracks the mystery of consciousness and soul, not only does he bring his patients back to consciousness but he opens the door to mind time travel to unveil past psychological traumas and heal them. But why does he wake up in his ex-wife's body after crashing into her car? A humorous and thrilling novel about the fear of one's own ambition and possible success on a spooky medic-sci-fi background.
