Presentation de l'auteur
FBI profiler Sophie Anderson suffers brutal visions of real-life murders. Now living in L. A. , Sophie is working on the case of a popular writer who has been sexually mutilated, strangled and marked with an eerie lipstick kiss just like the crime scene in their last book. As more writers are punished for their dark imaginations, there is a recurring theme a chilling fan letter that arrives before each murder. A sinister mind is creating a real-life thriller. And they're determined to give it a killer ending.
