Biographie de l'auteur When San Francisco native Mimi Jean went on an adventure as an exchange student to Mexico City, she never imagined the journey would lead to writing Romance. But one MBA, one sexy husband, and two rowdy kids later, Mimi would trade in corporate life for vampires, deities, and snarky humor. She continues to hope that her books will inspire a leather pants comeback (for men) and that she might make you laugh when you need it most. She also enjoys interacting with her fans (especially if they're batshit crazy). You can always find her chatting away on Facebook, Twitter, or saying many naughty words on her show, MAN CANDY, on Radioslot.com!
