## Description :

Prsentation de l'diteurFirst published on the 700th anniversary of the pivotal event in Scottish history, the epic story of Robert Bruce comes to a climax at the Battle of Bannockburn. Robert has achieved his great ambition to be crowned King of Scotland, but in doing so has provoked the wrath of the new king of England, Edward II. Raising the feared dragon banner, Edward marches north, determined to recapture the kingdom. But the English are not Robert's only enemies, and he is forced to flee after murdering his great rival John Comyn, splitting the kingdom apart. Robert has a crown, but no country, the will to lead, but no real authority. Fighting from hidden strongholds and the Western Isles, with the support of a few brave men and the alluring noblewoman, Christiana, Robert drives towards Bannockburn where an epic confrontation

with Edward will decide the future of Scotland. *Revue de presse* With Robyn Young's meticulously researched Kingdom one suspects this might be more faithful to the records than many a supposedly factual account . . . This is not fiction for the fainthearted. It teems with characters and the intricacies of the feuding, treacherous English court and Scottish nobility . . . It is compelling, the author's devotion to her subject making the story blaze with passion. As one closes this book it is hard to believe these players have been dust for 700 years or more. (*Herald Scotland*) This trilogy is an excellent read. Young follows the manifestations of Bruce's struggle for power down to the most minute detail, culminating in glory and victory. (*Scots Magazine*) *Présentation de l'auteur* First published on the 700th anniversary of the pivotal event in Scottish history, the epic story of Robert Bruce comes to a climax at the Battle of Bannockburn. Robert has achieved his great ambition to be crowned King of Scotland, but in doing so has provoked the wrath of the new king of England, Edward II. Raising the feared dragon banner, Edward marches north, determined to recapture the kingdom. But the English are not Robert's only enemies, and he is forced to flee after murdering his great rival John Comyn, splitting the kingdom apart. Robert has a crown, but no country, the will to lead, but no real authority. Fighting from hidden strongholds and the Western Isles, with the support of a few brave men and the alluring noblewoman, Christiana, Robert drives towards Bannockburn where an epic confrontation with Edward will decide the future of Scotland.
