Please also be aware that loading time of content may vary between devices. Please consider these points prior to making your purchase.Revue de presseWanderlust Magazine: You've got to applaud Marco Polo's chutzpah to launch 30 new city/island guidebooks into an already pretty crowded market. Aiming to occupy the middle ground between the context-heavy luggage fillers and the context-free thinner volumes, the main USPs of these user-friendly guides are the plentiful 'Insider tips' dotted around each edition, the maps they're packaged with, and the pocket cheering price (6.99 each). Complete with near-magazine style features, they're certainly a less intimidating proposition than some of the big wedges on offer. --Wanderlust Magazine
