Biographie de l'auteur John Ringo began writing for Baen in 2000 with his first release A Hymn Before Battle-the first novel in his Posleen Wars-which has become a New York Times best-selling series with over 800,000 copies in print. The series continued with Gust Front, When the Devil Dances, Hell's Faire and Eye of the Storm. In addition, Ringo has penned the Council War series: There Will be Dragons, Emerald Sea, Against the Tide, and East of the Sun, West of the Moon. Adding another dimension to his skills, Ringo created nationally best-selling techno-thriller novels about Mike Harmon (Ghosts, Kildar, Choosers of the Slain, Unto the Breach, and A Deeper Blue. His latest techno-thriller The Last Centurion was also a national best seller. A more playful twist is the Lookin-Glass series: Into the Looking Glass, Vorpall Blade, Manxome Foe and Claws That Catch, the last three in collaboration with Travis S Talyor. His talent enhanced with four collaborations with fellow New York Times best-selling author David Weber: March Upcountry, March to the Sea, March to the Stars and We Few. There are an addition five collaborative spinoffs from Posleen series: The Hero, and the New York Times best seller Cally's War and its sequels Sister Time and Honor of the Clan, both with Julie Cochrane. A veteran of the 82nd Airborne, he brings first-hand knowledge of military operations to his fiction.
