Description :

Prsentation de l'diteurAn entertaining and oddly satisfying satire for anyone who has ever worked in an office filled with incompetent and psychologically questionable characters. A missing classified file for a government contract worth hundreds of millions becomes a murder case with corporate investigator Mac Macdonald as the prime suspect. Mac is forced to solve the case of both the missing file and the murder in order to exonerate himself. Peppared with humor and horror, the reader is taken on exciting adventures through exotic locales as the Brodi Company employees vie to win the gigantic government contract and with it a million dollar commission. The corporate wonks blundering efforts cause continuous chaos as they

stop at nothing to achieve their goals. Mac, while fighting internal demons from his tortured past as well as demons from the present, must put his trust in numerous tenuous relationships. He is abetted in his efforts by savvy coworker Jennifer Masterson who becomes his romantic interest and proves essential in the resolution of the complex nefarious activities. The Brodi Exit Interviews somehow provides a landscape of hope and redemption amidst greed, desperation, revenge, and murder. All of which make for a frightening, intriguing, and finally, touching personal adventure.
